Dear BG DR. Ioannis Galatas,

On behalf of the Organizing Committee, We would like to thank you for the invaluable contribution you made at the 41<sup>st</sup> ICMM World Congress on Military Medicine which was successfully held on May 17 – 22, 2015 in Bali, Indonesia. From the feedback we received, the program was a tremendous success. We appreciate the time you took out of your busy schedule for sharing your insights and expertise with all delegates of the congress.

We sincerely hope that the congress has been all that you expected it to be and that you have taken the opportunity to make new friends and renew old acquaintances and to have discussion and exchange of many experiences, particularly in the field of military medicine.

Again, we thank you. We have no doubt that it would not have been the success that it was without your presence. Please keep in touch, and looking forward to more collaboration with you in the future.

Sincerely yours,

With warmest regards,
